MASHANTUCKET, CT 06338

Dear Sponsor:

We are humbled and honored to be celebrating the Mashantucket Pequot Museum and Research Center at the Three Sister's Community Fundraiser on Saturday, August 17, 2024 from 6pm-10pm.

Our Museum's mission is to strengthen Pequot culture to honor and serve our Tribal family and friends. Over the past 25 years our Museum has been able to bring hidden histories to light through our education and outreach programs by connecting with hundreds of thousands of students and visitors from our local communities, as well as from around the world. We would not have been able to share the importance of our cultural impact without the generous support of our sponsors in the business community.

Considering the Connecticut Board of Education's mandate to include Native American history, your sponsorship will have an immediate impact to fund opportunities for schools in our local communities and across the state to bring students to experience one or more of the various enrichment programs offered by our institution.

The traditional teachings of the Three Sisters, which is rooted in interconnectedness, expresses the fundamental value of relationship and the understanding that we need one another. We do nothing in and of ourselves. Our intention is to continue to cultivate the critical nature of our relationship with this land, the waters and our surrounding communities and the fact that the Pequot story is foundational to the history of America. It is a blessing to be able to provide the necessary programming, exhibits, workshops and more, designed to educate all of our relations on the north eastern woodland culture alongside of the true history of this region.

Our goal is to ensure every K-12, college/university in the state of Connecticut & Rhode Island has experienced one or more of our enrichment programs here at the Pequot Museum in-person or by wayt of outreach by 2027

If you have any questions, we would be happy to provide you with more information about how you can help support our work at the Mashantucket Pequot Museum & Research Center. mjackson@pequotmuseum.org.
